

Clayton Dunagan

PROFILE

UI/UX Designer with experience across user research, information architecture, interface design. I design clear, usable interfaces and enjoy building practical, dependable solutions.

EXPERIENCE

UI/UX Designer & Web Consultant — Bianco Brothers Manufacturing | November 2025 — Present

- Redesign the company website to improve usability, navigation and clarity
- Organized site structure and information architecture for easier browsing
- Designed responsive layouts and interfaces in Figma
- Translated business needs into practical, user friendly solutions
- Delivered finalized designs and assets through launch

UI/UX Designer — Racatech LLC (Sheltr) | May 2025 — May 2026

- Conduct user interviews and UX research to uncover safety needs, behaviors and pain points
- Synthesized findings into journey maps, personas, and prioritized opportunities
- Translated research insights into user flows, wireframes and interactive prototypes in Figma
- Led usability testing sessions and iterated designs biases on feedback and validation
- Defined information architecture, interface layouts and iteration patterns to guide implementation

CREATIVE CONSULTANT / ARTIST MANAGER — FREELANCE | 2015 - 2024

- Managed client projects from concept through launch, planning, communication, and delivery
- Supported marketing and audience engagement through user focused digital experiences
